

Youths Revitalizing Internal Areas through their own Natural Resources

2025-1-IT-KA220-YOU-000354559

NEWSLETTER 1

You'ReIn is an Erasmus+ project empowering young people aged 18–30, especially those from disadvantaged backgrounds, with practical skills in sustainable water management, renewable energy, and environmental economics.

Partnership

- ✓ Fondazione Ifel Campania – Italy
- ✓ Serenity Solutions – France
- ✓ Danmar Computers – Poland
- ✓ Association Hexagonale de – France
- ✓ Associacao para a Educacao e Valorizacao da regio de Aveiro – Portugal

Kick-off Meeting in Naples, Italy

The You're In project officially launched with its Kick-Off Meeting in Naples on 16–17 October. Partners from across Europe came together to define the project framework and objectives, agree on roles and responsibilities, and structure key activities and timelines. The meeting built trust and strengthened partnerships among partners, aligning a shared vision for sustainable, inclusive growth and youth-led development in rural and internal communities across Europe.

Stay connected for upcoming updates and results from this exciting journey!
